"If King David were a woman, and funny, he'd be Susan Isaacs. You'll be handing this book to somebody else about a month from now, thinking 'maybe this will help them understand me.' You'll do that because it helped you understand yourself first." — **Donald Miller** author of *Blue Like Jazz*

"A brilliantly funny, fearlessly honest, and deeply moving account of one woman's search for God and man, not necessarily in that order. Fun fact: There's more truth in this book than there are lies in James Frey's *A Million Little Pieces*." — **Eric Metaxas**, NY-Times bestselling author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy*.

"Susan's brilliant comic idea of taking God to couples therapy is a terrific framework for the story of her personal journey of faith." — **Jim Gaffigan**, actor/comedian

Isaacs, it's a success. Isaacs reached bottom at age 40: no job, no boyfriend, no home. Of course, she blamed God. So off they went to counseling with the ever-patient therapist, Rudy. Isaacs moves easily between

recounting her life story and her counseling sessions. She describes encounters with the Nice Jesus of her Lutheran upbringing... Pentecostal church, a militant counselor; the "Rock-n-Roll" church and the "Orthopraxy, xDude" church, plus her rocky acting career and her love life, including guilt-ridden sex and Mostly Mister Right. Isaacs readily admits to being snarky, but she's honest about her quest and its conclusion. ... **She's funny, biting, earthy and brilliant.**
